

April 14, 2015 - Updated

UPDATED!!! Rider Alert – Route 4A and 4MD Detour

On Monday April 6, 2015 reconstruction work of the 6th Street SE Bridge at Bear Creek will begin. The bridge will be removed and reconstructed. 6th Street SE will be closed to all traffic between 9th and 10th Avenues SE. The expected completion date of the project is August 25, 2015

Route 4A and Route 4MD will be rerouted to 4th Street SE.

- All outbound runs will travel to 13th Ave SE and head south and resume its normal route path on 15th Avenue SE.
- All inbound runs will travel to 11th Ave. SE and be detoured north to 4th St. SE.

For those passengers that live to the west of 9th Avenue SE, Route 5 will continue to serve that area, since it travels on 8th Avenue SE and is not impacted by the closure.
